SEATING

Bloom Side Chair

Sculptural Seating Collection with Curved Back and Versatile Base Options
Introducing a striking furniture collection designed to elevate any commercial space with its sophisticated style and functional versatility. This collection includes a Side Chair, Arm Chair, Lounge Chair, and Barstool, each featuring a gently curved, sculptural back that offers both aesthetic appeal and ergonomic comfort. The elegantly flowing lines of the backrest provide an inviting and modern look, while promoting a relaxed seating experience for guests, clients, or employees. The collection is offered with a choice of multiple tapered leg base options—both wood and metal—allowing you to tailor the look to suit a wide range of interiors, from contemporary office environments to upscale hospitality settings. The wooden bases offer a warm, timeless aesthetic, while the metal options deliver a sleek, industrial feel, providing you with flexibility to match your design vision. Crafted with commercial-grade durability in mind, this collection seamlessly combines style, comfort, and long-lasting performance. Whether you're outfitting a lobby, restaurant, café, or conference room, these pieces are designed to withstand the demands of high-traffic areas while maintaining their elegant appearance. With its blend of sculptural beauty and customizable base choices, this furniture collection offers a sophisticated solution for any commercial setting, delivering both visual appeal and exceptional functionality.
