Alpha Side Chair

Where functionality meets style. This versatile chair features a robust design suited for contract, university, and office environments, with a range of customizable options. It boasts a variety of base choices, including a sleek four-legged steel frame or a sturdy sled base. The chair includes optional integrated arms for added comfort, while the molded poly shell provides an ergonomic shape that can be upholstered. The poly finish is available in multiple colors, allowing for creative expression in any setting. This modern chair combines functionality with style, making it an ideal solution for collaborative spaces, lecture halls, and corporate offices.
