Verdea Lounge Sofa

VERDEA is more than furniture—it’s a feeling, a lifestyle to be embraced. Like a vine that sinks its roots into the earth, this lounge collection weaves together design + memory. Blending nature, memory, + design into a seamless harmony. This all-aluminum lounge collection celebrates lightness + the joy of outdoor living. Nicola Bonriposi, the designer behind the collection, describes it this way: “For the Verdea collection, I aimed to ensure that each piece exudes pure, timeless elegance while maintaining functionality, rigor, + durability. Each item is designed with modern aesthetics in mind, ensuring harmony with any outdoor environment...the use of neutral + sophisticated tones allows for versatile combinations with other decorative elements. My goal with this collection is to achieve a perfect balance of style + functionality, a call to embrace the beauty + enjoyment of outdoor living.”
