Bloom Lounge Chair

With tapered wooden legs, swooping arms and a gently curved back, the sculptural shape of the Bloom Lounge Chair brings to mind a time when life was less complicated. The legs are constructed of solid metal, which are welded to a metal frame under the upholstered shell for added stability. However, what you see are wooden sleeves that cover the metal leg construction, which can be finished in any of our standard wood finishes. Measures: 27 W x 33" D x 34" H x 18" SH x 24.5" AH x 23.5" SD The Bloom collection consists of a side chair, arm chair, barstools (3 base options – wood, swivel or sled) and this lounge chair.
