# Twist Arm Chair

In an exciting and exclusive new partnership, Beaufurn is bringing the TWIST outdoor collection to the USA direct from the heart of Italian manufacturing just north of Rome. The Twist chair is a simple, fun and stackable all-weather chair made of the highest-quality materials, heavy gauge tubular frame and treated with outdoor powdercoating; all still hand-crafted in Italy using precision technology. The timeless lines of this design fit comfortably in more traditional settings and hipster-chic warehouse district-this-side-of-downtown spots. Try the Twist out in any one of its many colors.
